Make a Rephot  
of sign as  
marked

Make the horns on top of neon roof sign show up symmetrical as though looking at a deer from in front. Also make the face of the deer a trifle longer, that is fill it out on the bottom, do not come to a sharp point. Add a little length to the points of the deer horns on sign.

Add flat cactus leaves to plants shown on parapet of roof. Add elk horns on parapet of roof and slightly add to size of deer horns on parapet of roof.

Leave in only 3 buckhorn signs--the 2 painted in black under the parapet and the tall upright neon sign. Remove Buckhorn sign on corner sidewalk past and the 2 horizontal signs above it.

remove the corner from glass window in front of gorilla and make the gorilla appear similar as in circular attached.
